

3 on 3 Team Registration Form

Team is From Where: _____ Team Nickname: _____

Head Coach: _____ Email: _____

Home #: _____ Cell #: _____ Work #: _____

Team Manager / Asst. Coach _____ Cell _____

Team Waiver & Release of Liability:

Team representative hereby affirms that all parents of rostered players will agree to sign the provided release of liability form on behalf of their player and listed team representative agrees to submit all said waivers to ESP Hockey prior to the start of the league or notify families who have not signed the waiver that their athlete is not ineligible to play until it is completed.

The total fee for each team is \$2590 for the 2017 season. The 18 total hours of ice (12 - 1.5 hour games) will be split evenly between the spring and fall sessions. Jerseys will be provided for each player. We require a **bare minimum of 9 skaters and 1 goaltender** (which calculates to \$259 per player). **However we very strongly recommend you carry at least 11 skaters and a goalie.** 11 skaters can be an ideal number in order to accommodate individual conflicts and end up with 8-9 skaters per game consistently. 1.5 hour games are played at a higher level throughout with 8 or more skaters per team per game. Please be advised that **any game reschedule request from teams with less than 11 skaters and a goalie might not be accommodated, resulting in either a forfeit or a replacement team taking the game.** Please either bolster your rosters or assemble a strong list of subs as you build your teams, so the games can be played as scheduled. **12 skaters and 2 goalies or (13 and 1) per team is the maximum team size allowed.** Lower per player fees can help with recruiting as well... **Prorated fees are as follows:** 11 players total pro-rates at \$236 per player. 12 total players is \$216 per player. 13 total players is \$200 per player. The team maximum 14 players is \$180 per player.

The entire team fee must be paid on or before the first game date. Sorry, there will be "no exceptions".

We recommend that coaches collect all fees and waivers prior to showing up for your first game. This will remove the chaos for all as coaches scramble to collect everything with only minutes to spare before game time. **Let your families know "you personally" will be required to front the fee of their absent or unprepared family, and restrict any players without a waiver from playing.** The Association team post season Banquet is a great place to take care of much of this.

We "will" also need to receive your "team registration form & roster" no later than February 28th so we can match up waivers & fees with players as we receive them by mail or just prior to the start of the season as we meet with the coach pre-game 1.

We exclusively accept **checks** as payment for league fees. Thank you for helping us keep league fees low by eliminating credit based transaction costs. **Have your parents make checks payable to ESP Hockey.**

Send all documentation/payments to: **ESP Hockey P.O. Box 25293 Woodbury, MN. 55125**

Please contact the league office at (651) 714-8500 or email us at davew@espselecthockey.com with your questions or concerns.
